

SCHIMMEL  
PIANOS

Your keys to happiness

## Schimmel – the most highly awarded German piano

In France, instrument tests carried out by major musical periodicals have a long tradition. During the course of the past few years, professional musicians have tested upright and grand pianos throughout various categories for the magazines *Le Monde de la Musique*, *Diapason* and *Pianiste*. The quality of Schimmel has been universally recognized by experts in France since 1988.
